#### WEEKLY FIRE REPORT

Total Calls for Service year to date: 830

Home Fires Involving Cooking Equipment: In 2004-2008, U.S. fire departments responded to an average of 7,700 home fires involving grills, hibachis or barbecues per year, including an average of 3,200 structure fires and 4,500 outside fires. These 7,700 fires caused an annual average of 13 civilian deaths (to the nearest ten), 120 civilian injuries and \$70 million in direct property damage.

Gas grills were involved in an average of 6,200 home fires, and charcoal or other solid-fueled grills were involved in 1,300 home fires.

More than one-quarter (29%) of the home structure fires involving grills started on a courtyard, terrace or patio, 28% started on an exterior balcony or open porch, and 7% started in the kitchen.

Flammable or combustible gas or liquid was the item first ignited in half of home outdoor grill fires. In 49% of the home outdoor fires in which grills were involved, 56% of the outside gas grills, and 39% of gas grill structure fires, the fire started when a flammable or combustible gas or liquid caught fire.

**Significant Criminal Events:**

Home Invasion: # 2011-4006

On April 25, 2011 at approximately 8:05 am, an officer was dispatched to the 5700 block of Hampshire Lane for a report of a home invasion. Upon arrival the officer made contact with the home owner. The home owner advised that between April 22 and April 24, 2011 an unknown person broke into her house through a side window. While inside the suspect stole jewelry and a television and left through the garage door. The value of the property is \$3900.00. A detective responded to the scene and evidence was collected. The evidence will be submitted to the crime lab for analysis.

Anyone having witnessed this incident or a suspicious person in the area is asked to call the Pittsfield Township Department of Public Safety and speak to a detective. 734-822-6062
