**Carbon Monoxide Safety Tips:**

Often called the silent killer, carbon monoxide is an invisible, odorless, colorless gas created when fuels (such as gasoline, wood, coal, natural gas, propane, oil, and methane) burn incompletely. In the home, heating and cooking equipment that burn fuel can be sources of carbon monoxide. Click on the picture for a PDF on Carbon Monoxide Safety tips:

### Significant Criminal Events:

Armed Robbery 2011-9513

On September 12, 2011 at 9:23 pm, officers responded to the area of Woodchip Way and Lake Ridge Drive in the Golfside Lake Apartments for a report of an armed robbery. Officers made contact with the victim, a 63 year old Pittsfield Township resident. The victim stated that while he was sitting in a gazebo using his laptop two black males approached him from behind. The victim indicated that one of the suspects put an object against his back that he believed was a gun and threatened the life of the victim. The suspects then took the laptop and fled on foot. A K-9 unit was called to the scene for a track but was unsuccessful. The suspects were described to have been black males, one of them being approximately 20 years old, 5'-4", with an afro. The victim was not able to provide a description of the second suspect.

Anyone having witnessed the incident is asked to call the Pittsfield Township Police Department of Public Safety at 734-822-4911.
