COMMUNITY EVENTS – INFORMATION

Business Watch: Cyber Security 2014 Are You Ready?

February 27th 2014, 6201 W. MI Ave, Morris Hall, 12noon – 1pm

Speaker: Mr. Douglas Lubahan, Regional Director, Absolute Software

Businesses in Pittsfield Township and throughout greater Washtenaw County are invited to a lunch hour presentation on cyber security and the challenges of protecting business and consumer information. In December of 2013 “data breaches” dominated the news and it is projected that in 2014 the challenges will be even greater to protect information on business servers, laptops, smartphones, and tablets.

B.Y.O.D. (Bring Your Own Device) to use for work purposes has become the norm, but is the device safe from viruses, malware, and how do you protect your company’s information if it’s lost or stolen and not password protected?

Elected officials at the state and national level are working on legislation to protect consumers; will your business be ready? The State of Michigan has created the “Cyber Civilian Corp” a rapid response team that would assist the State of Michigan and industries during a major cyber incident. Information will be provided on volunteers being sought from government, education, and businesses

Please R.S.V.P. for the Business Watch meeting on 2/27/14. Send an email to colemanr@pittsfield-mi.gov
