Resident Wins Guess the Weight Contest

Pittsfield Township (April 25, 2011) -- During the “**Passport 2 Pittsfield**” Open House, held by Pittsfield Charter Township on April 17, 2011, the Department of Utilities & Municipal Services (UMS) held a “Guess the Weight Contest,” where contestants of all ages could place their best guess on the weight of a large Styrofoam bale, provided by Recycle Ann Arbor. The prize — a **Recycling Gift Package** — was sponsored by Republic Services, Inc.

Thirty-seven entries were submitted, with guesses that ranged from as low as 2 lbs. 3 ounces, to as high as 2,000 lbs! There was only one winner, however, whose guess was the closest to the correct weight of 182 lbs.

Pittsfield Township resident, **Terri Rose**, guessed “205 lbs., 10 ounces,” making her the winner of the Recycling Gift Package. The prize included a Soho Green Paper Shredder, Republic Services travel mug, reams of recycled paper, his and hers hats, coloring books, pens, pencils, playing cards, toy trucks, and more!

The UMS staff contacted Ms. Rose after the open house, to advise her of her win. **Mandy Grewal**, Ph.D, Pittsfield Charter Township Supervisor, presented Ms. Rose with the Recycling Gift Package on Friday, April 22, 2011. Those taking part in the gift presentation included **Scott Cabauatan**, Municipal Services Manager with Republic Services, Inc., and **Craig Lyon**, Director of Utilities & Municipal Services for Pittsfield Township.
