Pittsfield Township Announces Fall Harvest at the Farmers Market

Pittsfield Township (September 12, 2013) – Pittsfield Township is gearing up for fall with the addition of pumpkins, apples, cider, fall plants (including mums), and various seasonal fruits and vegetables. As autumn approaches, the Market will be offering fall decorations and activities along with the usual fresh produce, meats, honey, bread, salsa and food cart every Thursday from 2:00 – 7:00PM through October 10th at the Township Hall (located at the corner of Platt and Michigan Ave, 6201 W. Michigan Avenue, Ann Arbor, MI 48108).

“Pittsfield Township’s Farmers Market offers a fun mix of activities and produce for visitors each week. In the upcoming weeks the Market will offer fall produce such as apples, carrots, beets and winter squash that can stay in kitchens longer along with fun activities such as gourd painting, treasure hunt in the hay, and an informational program by a local Master Gardner on how to close your garden and prep for next year’s crop,” noted Township Supervisor Mandy Grewal.

“We hope visitors will stop by on Thursdays to enjoy the fall activities and experience why buying in season is a simple way to save money and eat well,” expressed Grewal.
