MEDIA RELEASE

FOR IMMEDIATE RELEASE
1/2/2015

TYPE OF INCIDENT: 15-45

DATE: Thursday, January 01, 2015

TIME: 9:31 PM

LOCATION: 5229 W. Michigan Avenue, 100 block of Meadowlark Trail

Choose police or fire COMPLAINT NUMBER: 15-45

INFORMATION: On Thursday, January 1, 2015, at approximately 9:31 PM, Pittsfield Township Police responded to the above location to check the wellbeing of a male subject observed laying in the street. Upon arrival, the officers located the male and performed CPR, but the subject could not be resuscitated. The male was identified as a 20-year-old resident of Pittsfield Township. An investigation was initiated and the Washtenaw County Medical Examiner's Office was contacted. During the investigation, information was obtained indicating that the deceased had a history of substance abuse.

An autopsy was performed by the Washtenaw County Medical Examiner's Office and the immediate results showed no signs of trauma. Final determination is pending toxicology analysis and further investigation by the Pittsfield Township Police Detective Bureau.

This case remains under investigation. Anyone with information regarding the deceased or the investigation is encouraged to contact the Detective Bureau of the Pittsfield Township Department of Public Safety at 734-822-4945. Confidential tips can be called in at 734-822-4958.

DECEASED: (Family Notified)
Trey Dejon Coleman, b/m, 20-years-old
Resident of Pittsfield Township
