COMMUNITY EVENTS – INFORMATION

IRS: TAX-RELATED IDENTITY THEFT

Tax-related identity theft occurs when someone uses your stolen Social Security number to file a tax return claiming a fraudulent refund. The IRS is often the first to inform a victim that identity theft has occurred. Victims should immediately contact the IRS Identity Protection Specialized Unit at 800-908-4490. Report the fraud and ask for [ID Theft Affidavit Form 1439](#) (form is also available online through [Publication 5027 Identity Theft Information for Taxpayers](#)).

Complete the form and continue to pay your taxes and file your tax return, even if you must do so by paper.

One of the most effective ways to protect yourself from this type of identity theft is to file your tax return as soon as possible. Additional identity theft prevention measures are outlined in the Attorney General's [Identity Theft Information for Michigan Consumers](#) consumer alert.
