Pittsfield Township Ranked Among Top 50 Safest Places to Live in Michigan

Pittsfield Township (March 22, 2016) – For the first time, Pittsfield Township has ranked among the top 50 safest places to live in the State of Michigan, coming in at #40!! Pittsfield Township is the only community in Washtenaw County to make this list.

“Thanks to the dedication and commitment of our public safety personnel, Pittsfield Township has not only maximized the use of taxpayer’s dollars to promote safety in our community but also contribute to enhancing property values and overall desirability of living in Pittsfield,” noted Supervisor Mandy Grewal.

From 2009-2012, Pittsfield Township has spent close to \$3 million from general and millage funds supplemented by grants to upgrade its public safety equipment, vehicles, operational management and mobile technology with the goal of making police, fire and E-911 services immediately accessible to residents. With a response rate of about 5 minutes and equipped with the technology, Pittsfield’s public safety personnel have worked hard to earn this distinction for their community.

“Recognitions such as these come at the heels of Pittsfield Township building a team that brings an unwavering commitment to making our community a better place for all. Our police, fire and E-911 personnel are the voice and face of Pittsfield Township on a daily basis and they make us proud – every day,” stated Director of Public Safety, Matthew Harshberger.
