Press Release: Structure Fire- March 11th, 2017

The Pittsfield Township Fire Department responded to a structure fire after multiple 911 calls were received at approximately 5:00 pm on March 11, 2017. Upon arrival, fire fighters found a structure with heavy fire coming from both the first and second floors. The fire was brought under control within 20 minutes, although overhaul continued for an additional 60-90 minutes.

Director of Public Safety Matt Harshberger reports that the building, which is the Islamic Center of Ypsilanti, was unoccupied at the time of the fire. Harshberger stated that an ongoing joint investigation is currently being conducted by the Pittsfield Township Department of Public Safety, the Bureau of Alcohol, Tobacco and Firearms (ATF), and Federal Bureau of Investigations (FBI) to determine its cause. The fire caused no injuries and the damage assessment is continuing.

The Pittsfield Township Board of Trustees want to add mention that they stand in support of the Islamic community in and outside Pittsfield. "I am available 24/7 for anyone who wants to reach out to us for support and assistance," noted Pittsfield Township Trustee Yameen Jaffer who also serves as a Board member of the Islamic Center of Ann Arbor. Supervisor Grewal added that "It is because of the welcoming and diverse nature of our community that folks like the Islamic Center of Ypsilanti choose to locate in Pittsfield. As such, our leadership and police will continue working toward providing for the safety and security of all."

Pittsfield Township is working closely with the Islamic Center of Ann Arbor on this issue. Contact information for support: jaffery@pittsfield-mi.gov; publicsafety@pittsfield-mi.gov; communication@mca-a2.org

Updates will be issued as more information becomes available.
