Avoid being a victim: “Larceny from Automobiles – Make your vehicle a tough target”

Making your vehicle a “tough target” to the theft of valuable items is an important daily practice. The theft of, **computers, cash, purses, clothing, gifts**, and other items of value have been taken from **unlocked** and **some cases locked** vehicles. Individuals involved with these crimes of opportunity are preying on those who leave valuables out in the open and or may forget that their vehicle is not secure.

Residents are encouraged to lock your car doors, remove valuables, and keys from vehicles.
