IMPORTANT PROPERTY OWNER NOTIFICATION

February -, 2015

Landowner Name
Address
City

Subject: Wolverine Pipe Line Company
Pipeline Route Investigation
Parcel Number:
File Number:

Wolverine Pipe Line Company owns a petroleum products pipeline and easement that crosses property for which you are the owner of record in _____Township, _____County, Michigan.

This letter is to advise you that contract crews managed by Michiana Land Services may be conducting ground surveys, environmental assessments, soil probes, and archaeological studies for a potential new pipeline. Weather permitting, one or more of these activities may occur within the Wolverine easement on or after the week of February 16, 2015. Wolverine has hired Michiana Land Services as its contract representative to notify and work with land owners and tenants regarding these activities.

If at all possible, work crews will use existing roads or lanes to access Wolverine's easement. Care will be exercised to avoid or minimize surface damages during this work. In the unlikely event these activities result in damages to your property, Michiana will work with landowners on behalf of Wolverine to repair any damages resulting from our activities.

If you are leasing or renting your property, please notify your tenants or let us know how we can contact them. If you need more information, please call Fred Hipshear at 269-357-6002 and make reference to the File Number listed above.

We apologize for any inconvenience and thank you for your cooperation with us during this work.
