Applicant's Permit Compliance Agreement

Permits are not transferable as to person or place and are not refundable. Issuance of a permit does not guarantee compliance with any building or other code. Homeowners may obtain permits only for work which they perform. Completed work must be inspected immediately. Firms or persons installing work shall be responsible for obtaining permits and inspections and payment of fees. If work started before a permit is issued, an administrative fee equal to a permit fee will be assessed.

Section 23a of the State Construction Code Act of 1972, Act 230 of the Public Acts of 1972, being section 125.15321 of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of the state relating to persons who are to perform work on a residential building or residential structure. **Violators of Section 23a are subject to civil fines.**

Applicant Signature: I have read and understand the conditions listed above.

Example drawings for reference (Not to Scale)

Example showing ground sign dimensions:

Example showing wall sign dimensions and building frontage measurement:

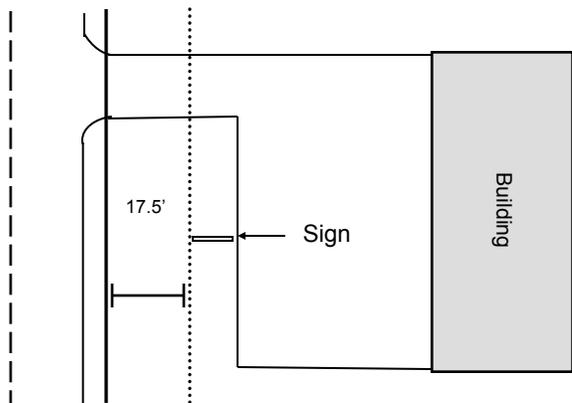

Please review Article 53 of the Zoning Ordinance for regulations regarding wall signs in each Zoning District. The Zoning Ordinance is available online at: [http:// www.pittsfield-mi.gov](http://www.pittsfield-mi.gov)

A ground sign pedestal of 18" or less is NOT included in sign area calculations.

A ground sign cannot exceed 8' in height.

Please review Article 53 of the Zoning Ordinance for regulations regarding ground signs in each Zoning District. The Zoning Ordinance is available online at: <http://www.pittsfield-mi.gov>

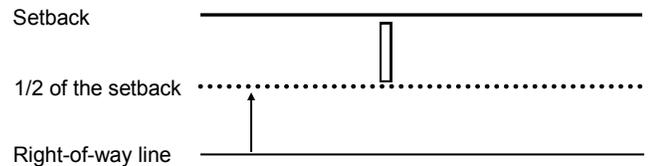

Example of a locational map showing ground sign placement on site:

KEY:

- Centerline of the road
- Right-of-way line
- Sign Setback

Example showing minimum setback requirements that must be met for ground sign placement:

1/2 of the setback distance from the right-of-way is the minimum distance a sign can be from the road.
