**January 28<sup>th</sup> 2013: National Data Privacy Day**

National Data Privacy Day is January 28<sup>th</sup> 2013. This day is set aside in an effort to empower people to protect their privacy, control their digital footprint, and offer knowledge in protecting digital information that should concern every citizen. For details on protecting your data privacy, click on the image below.

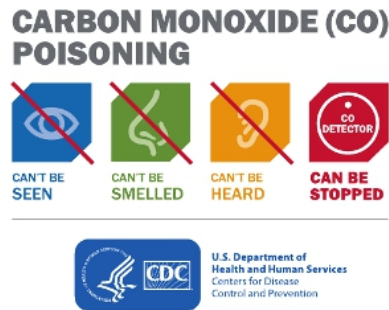

## WEEKLY FIRE REPORT

Total Calls for Service year to date: 107

### Significant Fire Events:

#### Safe Kids USA - Carbon Monoxide Poisoning Prevention Tool Kit:

The National Public Health Institute Coalition and the Center for Disease Control (C.D.C.) encourage residents to plan for emergencies when there is a power outage. Carbon monoxide detectors are important when there is a loss of power but you should know how to detect problems and keep your detector in safe working order.
