On April 12, 2012 at approximately 1:30 pm, the Pittsfield Township Police Department received a call from a resident in the 4600 block of Pearl St. reporting that their front door had been kicked in and items were stolen. Upon the officers arrival the officers secured the residences and made sure the suspect was not present. While inside the suspect had gone through several areas of the home and stole a camcorder, cameras with accessories, a watch, and a computer.

A canvas of the neighborhood identified a person who stated that at 10:00 am a black male, between 30 – 35 yrs. old, 5'-8" tall, and about 180 lbs., knocked on the door. When the neighbor answered the subject stated he was looking for his dog and asked the resident if they had seen it. The resident advised they had not and the subject left.
