COMMUNITY EVENTS – INFORMATION

**Are You Cyber Ready? STOP.THINK.CONNECT. Commemorating October 2012 as:
National Cyber Security Awareness Month**

Think about this, what would you do if you received a suspicious email from a friend that only included a link? Would you click on it? What would your spouse, children, friends, or colleagues do? Phishing attacks are only one of the many complex cyber threats we face every time we go online regardless of whether we are at home, at work, or on the go. WEEKLY FIRE REPORT

Total Call for Service – Year To Date: **1,900**

Significant Fire Events:

FEMA: September 2012 - National Preparedness Month

Cyber security continues to be an increasingly vital topic with regard to emergency management. Many often overlook cyber security during a disaster or emergency situation in an effort to quickly meet the needs of our fellow citizens. As a result, critical safeguards for cyber infrastructure resources are often neglected until it is too late.

Home Invasion: 2012-10403

On September 10, 2012 at approximately 9:30 pm, the Pittsfield Township Police Department received a call from a residence in the 5200 block of West Michigan Ave. The resident advised that upon returning home she had discovered her house had been broken into. Officers arrived and verified the suspects were no longer present. Further investigation discovered that entry was made by forcing open a side door to the home. The resident advised to the officers that they had left earlier in the day before noon and just returned home and discovered the crime. At the time of the report it appears the only item stolen is a laptop computer. The

Anyone having witnessed the incident or may have information is asked to call the Pittsfield Twp. Police Department at 734-822-4911.
