COMMUNITY EVENTS – INFORMATION

Washtenaw County Emergency Management: Emergency Preparedness Resources

All families should be prepared to sustain themselves for a minimum of a full 72 hours for any community emergency that may happen such as a major winter storm or an outbreak of tornadoes. Here are suggestions to help your family prepare for any disaster:

First, download our new [Community Emergency Preparedness Workbook & Guidelines](#) (3 MB .pdf). This brochure is full of information about our risks, what supplies you should keep stocked in your home, and how to develop a disaster plan for your family.

Second, have a portable, battery powered AM/FM radio, flashlight, and plenty of spare batteries. Know your local Emergency Alert System broadcast stations. In Washtenaw County, they are **WEMU at 89.1 FM, WWWW at 102.9 FM, WQKL at 107.1 FM, WTKA at 1050 AM and WLBY at 1290 AM**. Always depend on these local stations to provide you with real-time emergency information for the Washtenaw County community. Metro Detroit broadcasters are not required to provide, and often don't provide, emergency information for Washtenaw County residents.

Third, if having electric power is extremely important to you, consider having a qualified electrician install an emergency generator before a disaster strikes. Finding and installing a generator during an emergency is difficult and it can be extremely dangerous!

Additional information about disaster preparedness in Michigan can be found at www.michigan.gov/prepare

WEEKLY FIRE REPORT

Total Calls for Service, Year to Date: 1,107

Fire Incident: Wires Down / Pole Fire

Complaint # 14- 1091 /1092

On May 8, 2014, at 3:43 p.m., Pittsfield Township Fire Department personnel responded to the 3000 block of Oak Drive for a report of high-powered electrical transmission lines down in the Oak Park Subdivision. DTE remained on the scene to complete the repairs. The Fire Department also handed multiple small brush fires connected with this incident. At 3:56 p.m., fire personnel responded to a transformer fire where high-powered electrical transmission lines were down at Michigan Ave. near Munger Rd. D.T.E. remained on the scene with the Fire Department until the fire was extinguished. The W.C.R.C. closed Michigan Ave. between Munger and Crane Rds. where multiple small grass fires were also extinguished.

Fire Incident: Vehicle Fire

Complaint # 14-1096

On May 8, 2014, at 6:31 p.m. Pittsfield Township Fire personnel responded to I-94 and Michigan Ave. to put out a vehicle fire.

WEEKLY CRIME SUMMARY

Significant Police Events:
