#### COMMUNITY EVENTS – INFORMATION

##### [Blueprint for Aging & Triad - Catholic Social Services of Washtenaw County & Local Law Enforcement](#)

The Catholic Social Services of Washtenaw County Senior Services Department is collaborating with local law enforcement, community volunteers, and the Blueprint for Aging on several new projects.

The goal is to provide a forum for older adults and law enforcement to identify and discuss local safety concerns, then work to find community wide solutions.

**Triad -The purpose of Triad is to promote older adult safety and to reduce the fear of crime that older adults often experience.**

One of the first steps is to understand the safety needs and concerns of older adults in the community. A “**Community Action Survey**” has been finalized for distribution.

Pittsfield Township D.P.S. has joined other law enforcement agencies from throughout the county on these projects and will be assisting in disseminating the survey, providing information about **The Blueprint for Aging** and **Triad** at Homeowners, Neighborhood, Apartment, and Mobile Home community meetings. Both of these programs and updates on scams and frauds will be presented by the Public Safety Community Coordinator at the “Pittsfield Township’s Senior Fest” on April 29<sup>th</sup>, 2015, 1:15 p.m.
