SameAddress seminar to be held at the Pittsfield Township Senior Center – Thursday, February 25th

Pittsfield Township (February 2, 2016) – Pittsfield Township's Senior Center is partnering with the Area Agency on Aging 1-B to host a SameAddress seminar on Thursday, February 25, 2016, at 3:00pm at the Pittsfield Township Senior Center (701 W. Ellsworth Rd). The SameAddress seminar is meant to help older adults stay comfortable, safe and independent in their own homes. The seminar will address daily living support, home safety, security and repair, home health care, and professional services.

"We continue to look for ways in which to enhance the quality of life for seniors in our community. The SameAddress seminar is intended to provide seniors with information on credible service providers. The intent is to provide opportunities for seniors to age in place and also develop a community network of resources for our seniors," noted Pittsfield Township Supervisor Mandy Grewal.
