**As Fire Prevention Week approaches, the Pittsfield Township Fire Department encourages residents to “**Look. Listen. Learn.**” What does that mean?**

Today's home fires burn faster than ever. In a typical home fire, you may have as little as one to two minutes to escape safely from the time the smoke alarm sounds. Knowing how to use that time wisely takes planning and practice.

The Pittsfield Township Fire Department is teaming up with the National Fire Protection Association (NFPA) the official sponsor of Fire Prevention Week™ for more than 90 years to promote this year's Fire Prevention Week campaign, “Look. Listen. Learn. Be aware. Fire can happen anywhere™,” which works to educate the public about basic but essential ways to quickly and safely escape a home fire.

Pittsfield Townships Fire Department says this year's “Look. Listen. Learn.” campaign highlights three steps people can take to help quickly and safely escape a fire:

- **Look for places fire could start.**
- **Listen for the sound of the smoke alarm.**
- **Learn 2 ways out of every room.**

While NFPA and the Pittsfield Township Fire Department are focusing on home fires, these fire safety messages apply to virtually anywhere.

**LOOK**

**Look for places fire could start.** Take a good look around your home. Identify potential fire hazards and take care of them.

**LISTEN**

**Listen for the sound of the smoke alarm.** You could have only minutes to escape safely once the smoke alarm sounds. Go to your outside meeting place, which should be a safe distance from the home and where everyone should know to meet.

**LEARN**

**Learn two ways out of every room** and make sure all doors and windows leading outside open easily and are free of clutter.
