IMPORTANT NOTICE

**Coronavirus Disease 2019 (COVID-19) Update
Department of Public Safety Operations**

**The Public Safety Lobby has
LIMITED ACCESS ONLY**

During regular business hours, (Monday-Friday from 8:00 am to 5:00 pm) citizens will have access to non-contact services in the public safety lobby with the following restrictions:

- Please do not call for admittance if you have a fever, or if you (or anyone you’ve had contact with) have any flu-like symptoms.
- Face masks must be worn by anyone entering the lobby.
- If you need to conduct business with the Records Dept. or other non-contact functions coordinated by front desk personnel **during regular business hours**, please call **734-255-1653**.
- The outside callbox remains the best way to contact dispatch to speak with an officer or file a report, anytime day or night.
- Only one party will be allowed entrance into the lobby at a time.

Thank you for your patience and cooperation during these unprecedented times to provide for the safety and well-being of every individual.

AVOID CORONAVIRUS SCAMS

- Learn how to [tell the difference between](#) a real contact tracer and a scammer. Legitimate tracers need health information, not money or personal financial information.
- Don't respond to texts, emails or calls about checks from the government. Here's [what you need to know](#).
- Ignore offers for vaccinations and home test kits. Scammers are selling products to treat or prevent COVID-19 without proof that they work.
- Be wary of ads for test kits. Most test kits being advertised have not been approved by the FDA, and aren't necessarily accurate.
- Hang up on robocalls. Scammers are using [illegal robocalls](#) to pitch everything from low-priced health insurance to work-at-home schemes.
- Watch for emails claiming to be from the CDC or WHO. Use sites like [coronavirus.gov](#) and [usa.gov/coronavirus](#) to get the latest information. And [don't click on links from sources you don't know](#).
- Do your homework when it comes to [donations](#). Never donate in cash, by gift card, or by wiring money.
