Free Mask Giveaway at Pittsfield Township

Pittsfield Township, MI (January 21, 2022): The township, in collaboration with Washtenaw County, Zeta Phi Beta Sorority, Inc., Rho Delta Zeta Chapter and other partners, will give away 3,000 KN-95 masks beginning at 10:00 AM on Saturday, January 22nd at Township Hall (6201 W. Michigan Avenue).

One packet of 10 adult-sized masks will be given out per vehicle/individual. Please note that vehicular access will only be open from Platt Road with a one-way traffic flow, which will be closed once supplies are depleted.

As we enter a phase of the pandemic wherein free masks and test kits (www.COVIDTests.gov) are being made widely available to the general public, Pittsfield Township is engaging with its partners to ensure access to the same within our community.
