Further, all rights which ordinarily vest in and are exercised by employers except such as are specifically relinquished in this Agreement, are reserved to and remain vested in the Employers, including, by way of illustration but not limitation, the right to:

- C. Determine the number, location and type of facilities and installations.
- D. Determine the size of the work force, their duties, assignments, schedules, classifications, and wage rates for new jobs.
- E. Hire, discharge for just cause, discipline and lay-off.
- F. Determine qualifications for promotions and transfers.
- G. Establish and revise reasonable work rules for the orderly and efficient operations of

ARTICLE 3 – DISCRIMINATION POLICY

No employee covered by this Agreement will be discriminated against or be given preference in violation of any applicable federal, state or local law.

ARTICLE 4 – RECOGNITION

Pursuant to and in accordance with all applicable provisions of Act No. 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the union as the sole, exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment, during the term of this agreement for those employees of the Employer in the bargaining unit consisting of:

Full-time, benefitted administrative, utility workers, grounds and maintenance workers excluding all supervisors, managers, firefighters, public safety, part-time, temporary, seasonal, and casual employees.

Regular full-time, benefitted employees are those employees who have successfully completed their probationary period and are scheduled to work a minimum of 40 hours per week.

ARTICLE 5 – MEMBERSHIP/SERVICE FEE AUTHORIZATION FOR DEDUCTION

- A. Each employee, who is or becomes a member of the Union, or a service fee payer, may sign an authorized dues/service fee deduction card and shall do so with the understanding that the deductions shall continue for the length of the contract or until such time as the employee gives written notice to the Employer and Union revoking the authorization.
- B. The Union will protect, save harmless and indemnify the employer from any and all claims, demands, suits and other forms of liability by reason of action taken by the employer for the purpose of complying with this article of the agreement.
- C. Deductions for any calendar month shall be remitted to the TPOAM and be sent to 27056 Joy Road, Redford, MI 48239-1949. In the event that a refund is due to any employee for any sums deducted from wages and paid to the Union, it shall be the responsibility of such employee to obtain appropriate refund from the Union.
- D. The Township shall not be liable for the remittance or payment of any sums other than those constituting actual deductions made. If the Township fails to make a deduction for

any employee as provided, it shall make that deduction from the employee's next pay in which such deduction is normally deducted after the error has been called to its attention by the employee or the union.

- E. If there is an increase or decrease in Union payroll deductions, such charges shall become effective upon presentation of a signed deduction statement.
- F. The employer agrees to deduct the Union membership dues or service fees each pay period from the wages of the employees who have requested that such deductions be made.

ARTICLE 6 – AID TO OTHER UNIONS

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

ARTICLE 7 – BARGAINING UNIT WORK

Supervisory employees and other non-bargaining unit employees will not regularly and routinely perform, on a day-to-day basis, duties which are ordinarily performed by bargaining unit employees; nor will supervisory or other non-bargaining unit employees perform overtime work in any job classification (Article 50 – Wages) for which seniority employees are available, except in case of an emergency, or when available seniority employees do not have the ability to do the required work.

Matters taken up in special conferences shall be confined to those matters included in the agenda, unless both parties agree to include other items.

The parties will attempt to schedule the conference within ten (10) calendar days after the request is made. Conferences shall be held on a workday. Employees will receive their regular pay during a conference only for that time spent in conference which occurs during the employee's normal working hours.

It is recognized that such special conferences are for clarification purposes and possible resolutions of problems but shall not be in lieu of the grievance procedure or shall not be deemed to expand, in any way, the duty of the Township to bargain with the union.

Probationary employee’s service with the Employer may be terminated at any time by the Employer in its sole discretion and neither the employee so terminated nor the Union shall have recourse to the grievance procedure over such termination.

During the probationary period an employee shall not be eligible for employee benefits unless expressly provided otherwise in this Agreement. After an employee has successfully completed that employee’s probationary period of employment, such employee shall become a regular full-time employee and they shall be placed on the regular seniority list as of their last date of hire.

- F. Any employee moved to a lower classification due to a reduction in the work force in their current classification will be placed on the salary schedule at the indicated rate for that lower classification within the same step. The date for the employee step increase remains the same as prior to the reduction in classification.
- G. The employees will be allowed to waive their seniority rights, if they so desire. The employee shall be notified in writing of relocated position or layoff. He/she shall have five (5) working days to accept or deny relocated position. Failure to respond shall result in automatic layoff.
- H. When employees are on lay-off, the Township will not contract out the services which employees on lay-off could perform.

ARTICLE 13 – RECALL PROCEDURE

When the working force is increased after a layoff, employees in the affected classification and department will be recalled in the inverse order of their layoff subject to the same qualifications utilized in the layoff procedures. Notice of recall shall be sent to the employee at their last known address by registered or certified mail. If an employee fails to report for work within ten (10) working days from the date of mailing of the notice of recall, they shall be considered to have voluntarily terminated their employment. The Employer shall grant reasonable extensions of this period of time in those cases where the employee for good cause is unable to report to work.

ARTICLE 14 – MILITARY LEAVE

An employee who enters into the military service of the United States shall be granted a leave of absence for that purpose and at the conclusion of such leave of absence shall be reinstated in accordance with all applicable provisions of the Selective Service and Training Act and/or any other applicable laws.

Any employee desiring a leave of absence from his/her employment for other than Family and Medical Leave Act leaves, must secure written permission from the Township Supervisor. The maximum leave of absence shall be for thirty (30) days and may be extended for another thirty (30) days. Permission for extension must be secured from the Township Supervisor or his/her designated representative. Failure to comply with this provision shall result in the complete loss of seniority rights for the employee involved.

Section 2. Illness or FMLA Leave. In accordance with the Family and Medical Leave Act (FMLA) of 1993, a FMLA leave will be granted for one or more of the following:

- A. Because of the birth of a son or daughter of the employee, and in order to care for such son or daughter;
- B. Because of the placement of a son or daughter with the employee for adoption or foster care;
- C. To care for the employee's spouse, son or daughter, or parent who has a serious health condition; or

FMLA leaves are counted against an employee's annual FMLA leave entitlement. Under the FMLA, an employee is eligible for a total of twelve (12) workweeks of leave in a twelve (12) month period. This twelve (12) month period is measured back from the date a requested leave is to begin. Continuation of medical and dental benefits and the right to job restoration under the

FMLA ceases when an employee has used twelve (12) workweeks of FMLA leave in the twelve (12) month period.

- A. FMLA shall run concurrently with any other leaves allowed.
- B. All leaves (self, family or intermittent) shall be treated consistently.
- C. When taking FMLA, an employee must first use accrued sick banks (with the ability to retain up to 72 hours in their accrued sick banks), then at the employees discretion may use accrued vacation banks, accrued compensatory banks or unpaid time for the remainder of the FMLA leave.

If either the employee or the employer designates paid leave as family and medical leave after leave has begun (e.g., when an employee requests an extension of a paid leave with unpaid Family and Medical Leave), the entire or some portion of the paid leave may be retroactively counted as Family and Medical Leave, to the extent that the leave period qualified as Family and Medical Leave. The inability to work because of proven sickness or injury shall not result in the loss of seniority.

Section 3. Prolonged Illness Leave. Granted by action of the Township Board, a prolonged illness leave is an UNPAID leave granted to an ill or injured Employee. This leave may be granted to an Employee who has otherwise used all accumulated vacation and sick leave, but who will hopefully return to work upon recovery from the illness or injury involved. The Township Board may grant a prolonged illness leave for up to six (6) months.

- A. During this period the Employee shall retain the position and job classification attained prior to the leave.
- B. Should an Employee not return to work in accordance with the approved leave schedule or apply for and be granted a prolonged illness leave extension, he/she will be considered a voluntary quit.

- D. During the first six (6) months of a prolonged illness leave, health, life, and dental insurance will remain in effect with premiums paid by the employer. Any other benefits (where permitted by the carrier) may be continued at the expense of the Employee. During an extended prolonged illness leave, if granted in (c) above, all benefits may be continued (where permitted by carrier) at the expense of the Employee.

ARTICLE 16 – JURY DUTY

Any employee required to serve on jury duty will suffer no loss of pay, but will submit any payment received from the court (minus mileage reimbursement) to the Employer. If the employee is not selected to serve on a panel, or is not paid for a full day by the court, he or she is expected to return to work at the Employer for the duration of that day.

ARTICLE 17 – BEREAVEMENT LEAVE

- A. Family – An Employee will be granted a maximum of five (5) leave days with pay beginning on the date of the employee's choosing within 30 days of a death in the immediate family. These days shall not be deductible from accumulated sick time. Supporting documentation may be required. In addition, in accordance with the above, an employee will be granted one (1) leave day with pay to attend the bereavement of an employee's great grandparent, aunt, uncle, niece, nephew, or the grandparents/great grandparents of the current spouse. An additional leave chargeable to the Employee's sick leave, vacation or personal, may be granted due to the death of a current spouse or children when approved by the Director of the Department in which the employee works.
- B. Funeral Leave for Other than Family – Employees may use vacation time, personal time or leave without pay to attend the funeral of friends, neighbors, and others outside of the family.

ARTICLE 18 – TEMPORARY ASSIGNMENTS

When an employee is assigned to a higher level bargaining unit position, the employee's wage rate will be increased by 5% for the duration of the assignment if the employee is in the assignment for at least 31 days. The increase will be retroactive to day one. An employee who works in a temporary assignment for less than 31 days will receive no additional compensation. The Employer shall select the employee to be placed in a temporary assignment based on qualifications and seniority within the department.

ARTICLE 19 – VACANCIES

All vacancies and/or newly-created positions within the bargaining unit which the Employer desires to fill shall be posted setting forth salary, classification, grade level and job description and will be posted for a period of five (5) working days, setting forth the minimum requirements for the position in a conspicuous place on bulletin boards in each building. All bargaining unit members interested shall apply in writing within the five (5) working day posting period.

All bargaining unit applicants for the vacancy or newly created position will be interviewed by the department head or their designee. At the department head's discretion, the interview may be conducted by an interview committee selected by the department head.

The Employer retains the right to fill a vacant bargaining unit position from within or from outside the bargaining unit. If the Employer determines outside applicants are to be considered, the advertisement will not alter the job criteria of the original internal posting. In the event the Employer solicits non-bargaining unit applicants, bargaining unit applicants will be interviewed first, subject to the employee's availability. In the event the Employer decides not to fill a position, it will notify the Union President and, upon request, discuss the matter with the Union President.

Trial Period –

- A. If a bargaining unit member is selected to fill a vacant position (promotion or lateral move), he/she will be on a thirty (30) day trial period.
- B. During the thirty (30) day trial period, either the employee or the Employer can initiate the return of the employee to the employee's former position.
- C. If the Employer initiates the move, the employee can file and process a grievance through Step 2 of the grievance procedure. The grievance is not subject to arbitration.

ARTICLE 20 – RATES FOR NEW JOBS

When a new job is placed in existence which cannot be properly placed in the existing classification and rate structure, or a new classification is established, or an existing classification is changed or combined with another classification, the Union will be notified in writing of the new classification and the proposed rate of pay for the classification. The rate of pay for the new classification shall be considered temporary for a period of thirty (30) days following the date of notification to the Union. Within ten (10) days following notification to the Union, the Union may request, in writing, to meet the Employer to negotiate the rate for the classification. Any rate negotiated shall be retroactive.

ARTICLE 21 – DISCIPLINE AND DISCHARGE

Section 1.

- A. The Employer shall not discharge or suspend any seniority employee without just cause.
- B. Prior to an employee being disciplined or being questioned about an incident which may result in a disciplinary action, the Employer will inform the employee and the Union about the nature of the infraction and allow the employee to have a Union representative present if he/she desires.
- C. If the Employer determines that it is necessary to suspend an employee in order to complete an investigation relative to charges made against him/her, the employee shall be suspended without pay. In the event the Employer determines that there has been misconduct, the employee will be charged after the investigation. In the event the Employer determines that there has not been misconduct, the employee will be paid for the duration of the suspension. In this event, any investigative report will reflect that no disciplinary action was administered.
- D. The Employer agrees that notification of possible disciplinary action will be done in a timely manner.

Section 2. In the event that an employee feels that he/she has been unjustly dealt with, said employee shall have the right to file a Step 2 grievance with the Employer within seven (7) calendar days from the date of his/her discipline. If no grievance is filed within the time specified, then said discipline or discharge shall be deemed to be final.

Section 3. In imposing discipline on a current charge, notations regarding verbal reprimands and written reprimands will be disregarded after twelve (12) months, provided no further disciplinary action of any kind has been issued.

ARTICLE 22 – PERSONNEL FILE

All differences, disputes or complaints between the Employer and members of this bargaining unit as to the application or interpretation of the Agreement shall be adjusted solely by the grievance procedure outlined herein. The sole remedy available for a grievance by a member of this bargaining unit shall be the grievance procedure. Every effort shall be made to adjust controversies and disagreements in an amicable manor between the Employer and the Union. The Union President or his/her designee will be allowed reasonable time to investigate and handle legitimate grievances during working hours without loss of pay. Prior notification and approval by the Union Representative's supervisor will be required.

Section 2. Should any grievance arise, there shall be an earnest effort on the part of the parties to settle such grievance promptly through the following steps:

A decision will be rendered within seven (7) calendar days after this hearing.

Step 3: Arbitration

1. If the grievance is not settled at Step 2, the Union has 14 calendar days to notify the Employer of its intent to arbitrate. In the event the Union does not provide notice, the grievance will be considered withdrawn.
2. If a timely notice of intent to arbitrate is submitted by the Union, the eligible Arbitrator from the parties' Panel of Arbitrators shall be advised of his/her selection by the parties within fourteen (14) days after the Union's notice of intent to arbitrate. Arbitrators on the parties' Panel of Arbitrators shall be designated on a rotating basis. No one Arbitrator may be designated to hear more than one case at a time. The parties' Panel of Arbitrators is as follows: Anne Patton, Barry Brown, Mario Chiesa, Peter Jason, C. Keith Groty and Mark Glazer.

 2. Limiting in any way, the powers and duties of the Employer under its Charter or applicable law or the Agreement.
 3. Establishing or changing wage scales or economic benefits.
 4. Granting any right or relief for any period of time whatsoever prior to the effective date of this agreement.

ARTICLE 24 – HOURS OF OPERATION

The normal hours of operation for the Employer are from 8:00 a.m. to 5:00 p.m., Monday through Friday. The normal workday for employees shall be eight (8) hours of work (8:00 a.m. to 4:00 p.m. or 9:00 a.m. to 5:00 p.m.). For Departments with Field Operations, starting and ending times may be modified (i.e., earlier or later start/end times) to meet the business needs. The normal work week shall be (40) hours of work. The Employer reserves the right to change the work days or the starting and/or ending times of the workday.

A prolonged illness leave (Article 15 – Leaves of Absence) is not available to an employee who is off work due to a work-related injury or illness.

If the employee's claim is redeemed or the employee takes a duty disability retirement, this will end all obligation of the Employer to provide fringe benefits or payment to the employee in this section, or any right the employee has to return to work.

ARTICLE 48 – EMERGENCY ALERTS

- A. The Township Supervisor or designee shall have the responsibility to declare that the Employer's offices cannot be opened or operated, or that they must be closed due to an emergency alert.
- B. Employee Responsibility – It shall be the responsibility of each employee to seek out all possible information relating to the Employer declared emergencies. This information will be made available on WAAM radio (1600 AM).
- C. Length of Closing – Having declared an emergency, the Township Supervisor shall issue an order setting forth the expected length of the emergency closing.
- D. Compensation During Emergency – Employees shall not be subject to a deduction in pay when the offices are closed during an emergency.
- E. At Work When Offices Declared Closed-Employees who are at work when a determination is made that the offices must be closed shall not be subject to a deduction in pay. However, employees who continue to work when they have been excused shall not be entitled to any extra compensation.
- F. Make-Up Time or Loss of Pay – If an employee is unable to make it to work because of a hazardous condition such as "snowed in at home," but the Employer offices have not been closed, the employee shall be required to make the time up, be subject to a deduction in pay or have the option of having time deducted from either vacation, personal or sick time.
- G. Emergency Personnel Working When Offices are Closed – Employees who, by the nature of their jobs, are required to work during an emergency, when other personnel are "excused but paid," shall be compensated by equivalent time-off at the convenience of the Employer.

ARTICLE 49 – SAFETY

It is the policy of the Employer to provide a healthy and safe place to work for each and every employee. The Employer shall abide by and enforce all safety and health regulations as set by federal, MIOSHA, and local governments. All employees are urged to utilize good safety and health practices as dictated by job location, and circumstances. Employees should report any unsafe conditions or practices to their immediate supervisor or to the Township Supervisor.

It is the duty of the employee and he/she shall immediately report all defects of equipment. Such reports shall be made on a suitable form furnished by the Employer and shall be made in multiple copies, one copy to be retained by the employee. The Employer shall not require employees to take out on the streets or highways any vehicle that is not safe in operating condition or equipped with safety appliances prescribed by law. It shall not be a violation of

this agreement where employees refuse to operate such equipment unless such refusal is unjustified.

Any employee involved in any accident shall immediately report said accident and any physical injury sustained.

An employee, before starting his/her next shift, shall make out an accident report in writing on forms furnished by the Employer and shall turn in all available names and addresses of witnesses to any accidents. Failure to comply with this provision shall subject such employee to disciplinary action by the Employer.

When the occasion arises where an employee gives a written report on forms in use by the Employer of a vehicle being in unsafe operating condition, and receives no consideration from the Employer, he/she shall take the matter up with the Safety Officer who will take the matter up with the Employer.

Should a Safety Committee be formed, the Union has the option to name a member of the bargaining unit to the Safety Committee.

ARTICLE 50 – SUBCONTRACTING

Except as provided below, the Employer will not subcontract out bargaining unit work that will result in the layoff of a bargaining unit member. The Employer retains the right to contract out bargaining unit work that results in the layoff of a bargaining unit member in the following situations:

- A. Work is performed by another governmental unit, agency, authority, consortium or joint public venture.
- B. Work is performed by another entity as the result of the Employer complying with State or Federal legislation or regulations.

ARTICLE 51 – ABSENTEEISM

Regular and prompt attendance is essential to the efficient operation of the Employer.

Excused and Unexcused Absence. All absences will be classified as either “excused” or “unexcused”. The “excused” are leaves approved by the Employer that are provided for in the Agreement, whether paid or non-paid. An “unexcused” absence is where the employee has no available leave time or has available leave time but the absence was not reported or approved. In the event that the employee does not have any paid time (sick, personal, vacation, etc.) and provides a proper doctor's certificate the absence (s) will be documented as “excused”, but unpaid, and the employee will not be subject to discipline. Except with the failure to report an absence, one (1) absence, “excused” or “unexcused”, is the period of time from the point the employee is first absent to the point the employee returns to work regardless of the number of days between.

Reporting Absences. Employees must report any absence, other than pre-arranged and pre-approved absences, to their immediate supervisor, or in the event the immediate supervisor is not available, the employee is to contact an alternate supervisor (not a co-worker), before their

reporting time if possible, but no later than thirty (30) minutes after their report time. Employees are required to give daily notification to his/her supervisor unless the employee has submitted a doctor's statement setting forth the duration of his/her absence. A failure to give a timely notice of absence will result in an otherwise "excused" absence being considered as an "unexcused" absence unless a satisfactory reason; acceptable to the Employer is given.

Penalty. Within any twenty-four (24) month period, an employee will be disciplined for "unexcused" absences as follows:

- First Offense: Verbal notice of unexcused absence (documents)
- Second Offense: Written notice of unexcused absence
- Third Offense: Three (3) day suspension from employment without pay
- Fourth Offense: Discharge

In addition to the above, it is just cause for termination if an employee:

- Reached the third offense level three times in a four year period,
- Gives false reasons for their absence, or
- Is absent for three (3) consecutive working days without notifying the Employer as set forth in Article 11, Section 4C.

It is understood that the designation of a classification is not intended to designate job content or to restrict work assignments. Nothing herein shall prevent the Employer from hiring an employee above the start rate, provided, the Employer will explain the reason for paying above the start rate to the Chief Steward, prior to the employee's first day of work.

- B. Employees will progress from one step to the next on a yearly basis effective the first pay period in the calendar year, based on the employee's classification anniversary date. The Employer reserves the right to extend such period for all absences in excess often (10) consecutive days.

A newly-hired employee hired on or before June 30th of any year will be eligible for a step increase in January of the following year. A newly-hired employee hired after June 30th of any year will be eligible for a step increase in January following one year of employment.

All increases granted under Paragraphs A and B of this Article become effective the first day of the pay period following the date the increase is granted.

- C. License Premium. A license premium shall be paid to eligible employees in the Utilities Department. The premiums shall be paid for the highest license held by the employee:

<u>License Held</u>	<u>Premium</u>
S-4	\$400
S-3	\$700
S-2 & Above	\$1,100

The License Premium shall be paid annually during the month of December. It will be prorated for the months worked while holding the license in the Utilities Department for the calendar year. If an employee is on layoff or leave of absence for thirty (30) days or more, the license premium will be prorated.

Any employee having a license who is no longer in the classification on December 1st of the calendar year, or who is no longer an employee on the date the premium is paid, shall not receive any part of the year.

An employee qualifying for and receiving the initial license during the year shall have the license premium prorated from the date of examination based on 1/12th of the premium for each month from the date the employee earned the license.

Any employee holding the classification of Field Tech II, or higher, must have a S-4 license within eighteen (18) months from the date of becoming a Field Tech II, or the date of this agreement, whichever is later.

- D. Leaders – A Leader is a working employee. The Employer shall determine the need for a leader in the Utilities Department. The Employer shall have the responsibility for the selection of a Leader from among the Field Tech II's. Duties of a Leader, in addition to his/her regular work assignment, shall include:

1. Responsibility for quality and sequence of work by employees in the group.
2. Assigning duties and making work assignments in the group under the supervision of the foreman/department head.
3. Along with other seniority employees, training and instructing employees in the group.
4. Other duties, as assigned, including maintaining a cross-connection control program and performing a variety of inspection duties regarding same.
5. A leader shall have no authority to hire, promote, discharge, discipline, evaluate or otherwise assume any other supervisory responsibilities of management.
6. A leader shall receive a premium of Two Dollars (\$2.00) per hour over his/her base classification rate.

E. Educational Stipend – Employees who have an advanced degree from an accredited educational institution will receive the following annual incentive to be paid out the second pay period of January each year.

1. Bachelor’s Degree = \$1,250
2. Master’s Degree or higher = \$2,500

ARTICLE 53 – DRUG POLICY

As a condition of employment, all employees must refrain from reporting to work or working with the presence of drugs or alcohol in their systems. Refusal to submit to any authorized drug or alcohol test, or having a confirmed positive test, will be grounds for disciplinary action, up to and including immediate discharge, and may also result in denial of worker’s compensation and/or unemployment compensation benefits.

Employees are also subject to disciplinary action, up to and including immediate discharge, for using drugs or drinking alcoholic beverages, or for the distribution, dispensation, possession or sale of drugs or alcohol, while on duty or on Township premises.

Although violations of this Policy will ordinarily result in discharge regardless of the employee’s position, the Township reserves the right to consider extenuating circumstances and impose lesser disciplinary action when such action is deemed appropriate and subject to such conditions as the Township may impose.

A. When Testing May Be Required

Employees may be required to submit to the following types of drug and alcohol testing:

1. Pre-employment testing after an employee has been hired, prior to or within the first thirty (30) days of employment.
2. Reasonable suspicion testing, i.e. where the Township has reasonable suspicion that the employee is currently using drugs, or is under the influence of drugs or alcohol while on duty or on Township premises. The Township shall make the determination of whether reasonable suspicion exists in its sole discretion.
3. Post-accident testing, i.e. where the employee has caused, contributed to or been involved in an accident while at work.
4. Testing which is part of a fitness for duty physical examination or periodic physical examination, or following an on-the-job injury requiring medical attention.
5. Testing which is made a condition of continued employment or reinstatement following an employee’s participation in or completion of a Township approved drug and/or alcohol treatment, counseling or rehabilitation program, or is a condition of reinstatement following a disciplinary suspension imposed for violation of this policy.

Note: Employees who operate a commercial motor vehicle will also be subject to testing under Federal Drug and Alcohol Testing Regulations, 49 CFR Part 382.

B. Drug and Alcohol Testing Procedures

All drug and alcohol testing will be conducted in conformity with the following standards and procedures:

1. Samples will be collected with due regard for employee privacy, and in a manner

- designed to prevent contamination, substitution or adulteration. (If medical personnel at the collection site have reason to believe that an adulterated or substituted sample has been or may be provided, the employee may be required to submit a second sample, or the original sample, under the direction of a same gender collection site person.)
2. A strict chain of custody procedure, initiated at the time of collection, will be observed to preserve the integrity of all samples.
 3. Urine drug testing and breathalyzer alcohol testing will be the primary methods of testing. However, the Township reserves the right to use other testing methods. All samples will be tested by a qualified laboratory or medical facility.
 4. For purposes of this policy, refusal to submit to testing means that the employee fails to provide an adequate sample for testing without a valid medical explanation after he/she has received notice of the requirement to be tested, or engages in conduct that clearly obstructs the testing process. Refusal to submit to testing includes, but is not limited to, refusal to execute any required consent forms, refusal to cooperate regarding the collection of samples, or submission or attempted submission of an adulterated or substituted urine sample.
 5. An alcohol test will be considered to be positive if the employee has an alcohol concentration of 0.04 or greater. Drug tests will not be reported to the Township as positive unless an appropriate confirmation test has been conducted and the results have been reviewed and verified by the Township's designated Medical Review Officer (MRO). Employees will have the right to confidentially report the use of prescription and nonprescription medications to the MRO before drug test results are reported.
 6. All information received by the Township through its drug and alcohol testing program will be treated as confidential.

ARTICLE 54 – COMMERCIAL DRIVERS LICENSE (CDL)

- A. Commercial Drivers Licenses. All employees in the following classifications currently represented by the Union, as a condition of employment, to obtain and maintain commercial driver's licenses issued by the State of Michigan, together with any endorsements required by the Township by the end of the employee's probationary period:

Field Technician I
 Field Technician II
 Utility Specialist
- B. The Township will reimburse employees employed in the classifications listed above, for the cost of obtaining and maintaining commercial driver's licenses and any endorsements required by the Township; provided, however, that the Township will have no obligation to reimburse current employees for the cost of obtaining and maintaining operators licenses, or the cost of obtaining and maintaining any endorsements not required by the Township.
- C. Employees who are required to have and maintain a CDL must notify the Employer in writing of any traffic violation (other than a parking ticket) committed in any motor vehicle within seven (7) days of the conviction.

- D. Physical Examinations and Qualifications. All employees in the classifications listed above, and applicants for such positions, will be subject to the requirements related to physical examinations and qualifications established by the State of Michigan under the Motor Carrier Safety Act and the regulations promulgated there under, as presently drafted or amended in the future, and any other applicable state or federal rules relating to physical examinations and qualifications.
- E. All required physical examinations will be performed by a Township- designated physician, with the Township paying the full cost of such examinations.
- F. Loss of CDL. If an employee has his/her CDL License (or driver's license as set forth below), suspended or revoked, the employee must immediately provide written notice to his/her supervisor.
1. In the event an employee's CDL is suspended for sixty (60) days or less, or in the event an employee's driver's license is suspended in the case of probationary employees who have not acquired their CDL but are required to operate Township vehicles, the employee will be temporarily transferred to the next lower level position below their current position (i.e., from Specialist to Field Tech II, or from Field Tech II to Field Tech I) with a resultant reduction in wages for the length of his/her license suspension, and will work as assigned by a Supervisor.
 2. In the event the first license suspension is for more than 60 days, the employee will be transferred to the next lower level position below their current position (i.e., from Specialist to Field Tech II, or from Field Tech II to Field Tech I) with resultant reduction in wages for the first 60 days and thereafter the employee will be suspended without pay until his/her CDL license (or driver's license) is reinstated.
 3. In the event of a second suspension of the employee's CDL (or driver's license) the employee will be suspended without pay until his/her CDL (or driver's license) is reinstated.
 4. In the event of a third suspension, the employee will be terminated. At the request of the Union, the Township agrees to meet and confer with the Union, on a case by case basis, for the purpose of allowing the member to transfer to another department within the bargaining unit provided there is a vacancy and no other bargaining unit member is displaced.

When an employee is transferred into the position directly below their current position, then the most senior employee in the position in which the employee on suspension is transferred will be temporarily transferred to the temporarily vacated position directly above their current position (i.e., from a Field Tech II to a Specialist, or from a Field Tech I to a Field Tech II position) while the original position whose CDL has been suspended is temporarily placed into a position that is directly below their current position.

ARTICLE 55 – WAIVER

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the areas of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. In the event that such notice is given, negotiations shall begin no later than sixty (60) days prior to the expiration date. This Agreement shall remain in full force and be effective during the period of negotiations and until notice of termination of this Agreement is provided to the other party in the manner set forth in the following paragraph.

If notice of intent to amend the Agreement has been given, the Agreement may be terminated by either party on ten (10) days written notice of termination. Any agreed upon changes to the Agreement shall become and be part of the Agreement without modifying or changing the terms of the Agreement not in conflict with such amendments.

Notice of Termination and/or Modification shall be in writing and shall be sufficient if sent by certified mail addressed, if to the Union, TPOAM, 27056 Joy Road, Redford, MI 48239-1949, and if to the Employer, addressed to 6201 West Michigan Avenue, Ann Arbor, Michigan 48108, or to any other addresses as the Union or the Employer may make available to each other.

ARTICLE 57 – SUCCESSOR CLAUSE

This Agreement shall be binding upon the Employer's successors, assignees, purchaser, lease or transferees, whether such succession, assignment or transfer is affected voluntarily or by the operation of law; and in the event of the Employer's merger or consolidation with another employer, this Agreement shall be binding upon the merged or consolidated employer.
