SPIRAEA ALBA	MEADOWSWEET
HELENIUM AUTUMNALE	SNEEZEWEED
MONARDO FISTULOSA	BEE BALM
SAMBUCUS CANADENSIS	ELDERBERRY
VIBURNUM DENTATUM	ARROWWOOD VIBURNUM
RUDEBECKIA FULGIDA	BLACK-EYED SUSAN
HELIANTHUS ANGUSTIFOLIUS	SWAMP SUNFLOWER

Plant List: install a diverse mix of native plants. Best if group in clumps of five or more. Select plants of varying bloom periods to extend seasonal interest.

Tall plants can have a bigger visual impact when viewed from a distance and help keep weeds to a minimum.

Joe Pye Weed

Bee Balm

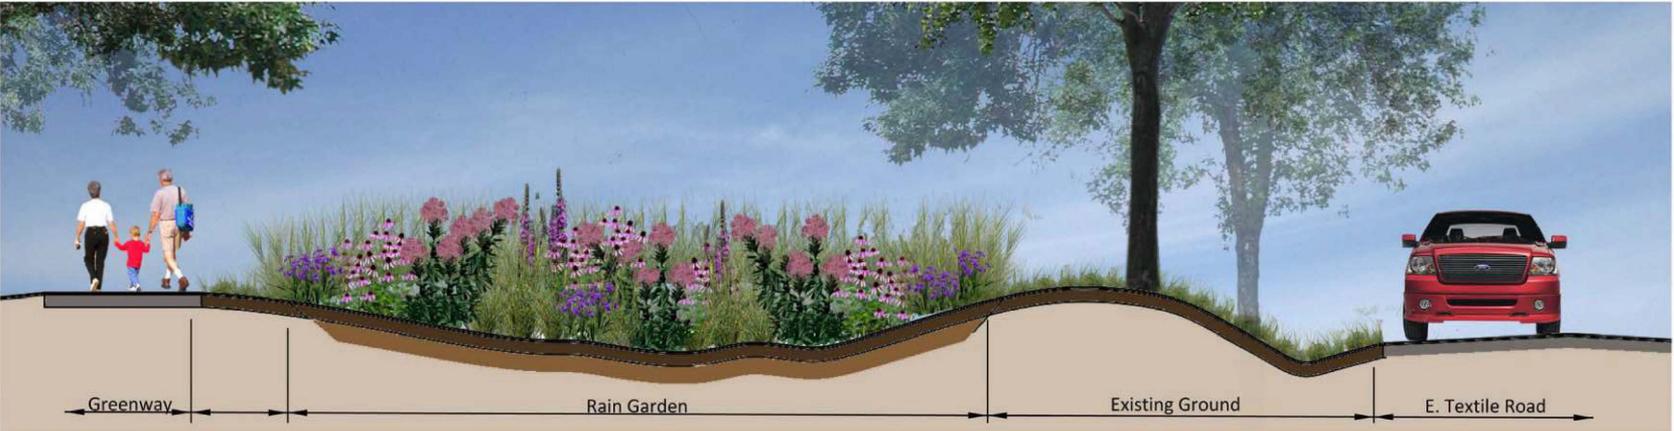

Blazing Star

Accent boulders provide year-round interest
