

YARD WASTE & BULK SERVICES UPDATE

We are pleased to announce the resumption of ALL curbside services including Rubbish, Recycling, Yard Waste, and Bulk Pick-Up effective May 4, 2020.

www.pittsfield-mi.gov/covid19

We know that the recent service changes have been extremely challenging for our community and we want to thank you all for your patience and understanding. We have continued to work tirelessly with our regional and contracting partners to restore services as soon as possible during this time of global crisis and disruption.

We are pleased to announce the resumption of **ALL regular curbside services including Rubbish, Recycling, Yard Waste, and Bulk Pick-Up effective Monday, May 4, 2020.** The temporary yard waste drop off facility at Lillie Park South will now close.

Service & Safety Reminders

Bag and tie all trash before you place it in your cart to ensure that loose materials do not fall out of the truck during collection and transportation.

Yard waste (grass, leaves, & twigs) must be in brown paper composting bags or in a container clearly marked "yard waste" or "compost"

Bundle twigs & branches together. Make sure nothing is larger than 2' diameter by 3' long and weighs no more than 50lbs bundled.

Unacceptable items include: stones, broken concrete, dirt and gravel, construction materials, etc. Yard waste cannot be picked up if it is mixed with trash.
