How will the types of housing available in the Township need to evolve to meet the needs of the Community?

1. More senior friendly housing, i.e.
 - a. inside mail delivery
 - b. " trash chutes
 - c. garden area for residents
2. More ranch-style homes + dwellings
3. Provide zoning maps that are understandable
4. Housing accessible to transportation

How will the types of housing available in the Township need to evolve to meet the needs of the Community?

I like House
I like Neighborhood
I like green space
★ HATE traffic

Housing in future Sr Community Hsg
or ADA accessible housing

Nursing homes = affordable..
" " } decent ones..
Asst Living =

mobile homes ~~on pre pre owned on personal land, not in~~ ^{some say on foundation}
rental park.
