

WASHTENAW COUNTY ROAD COMMISSION

555 N. Zeeb Road
Ann Arbor, Michigan 48103

MEDIA ADVISORY

- WHO:** To media representatives, the motoring public and all interested parties
- WHAT:** LANE CLOSURES & DETOUR
- WHEN:** Effective Monday, April 21, 2014 Until Further Notice
- WHERE:** Ann Arbor – Saline Road between Oak Valley Dr & Eisenhower Parkway
- WHY:** Ann Arbor-Saline Road Improvements Project

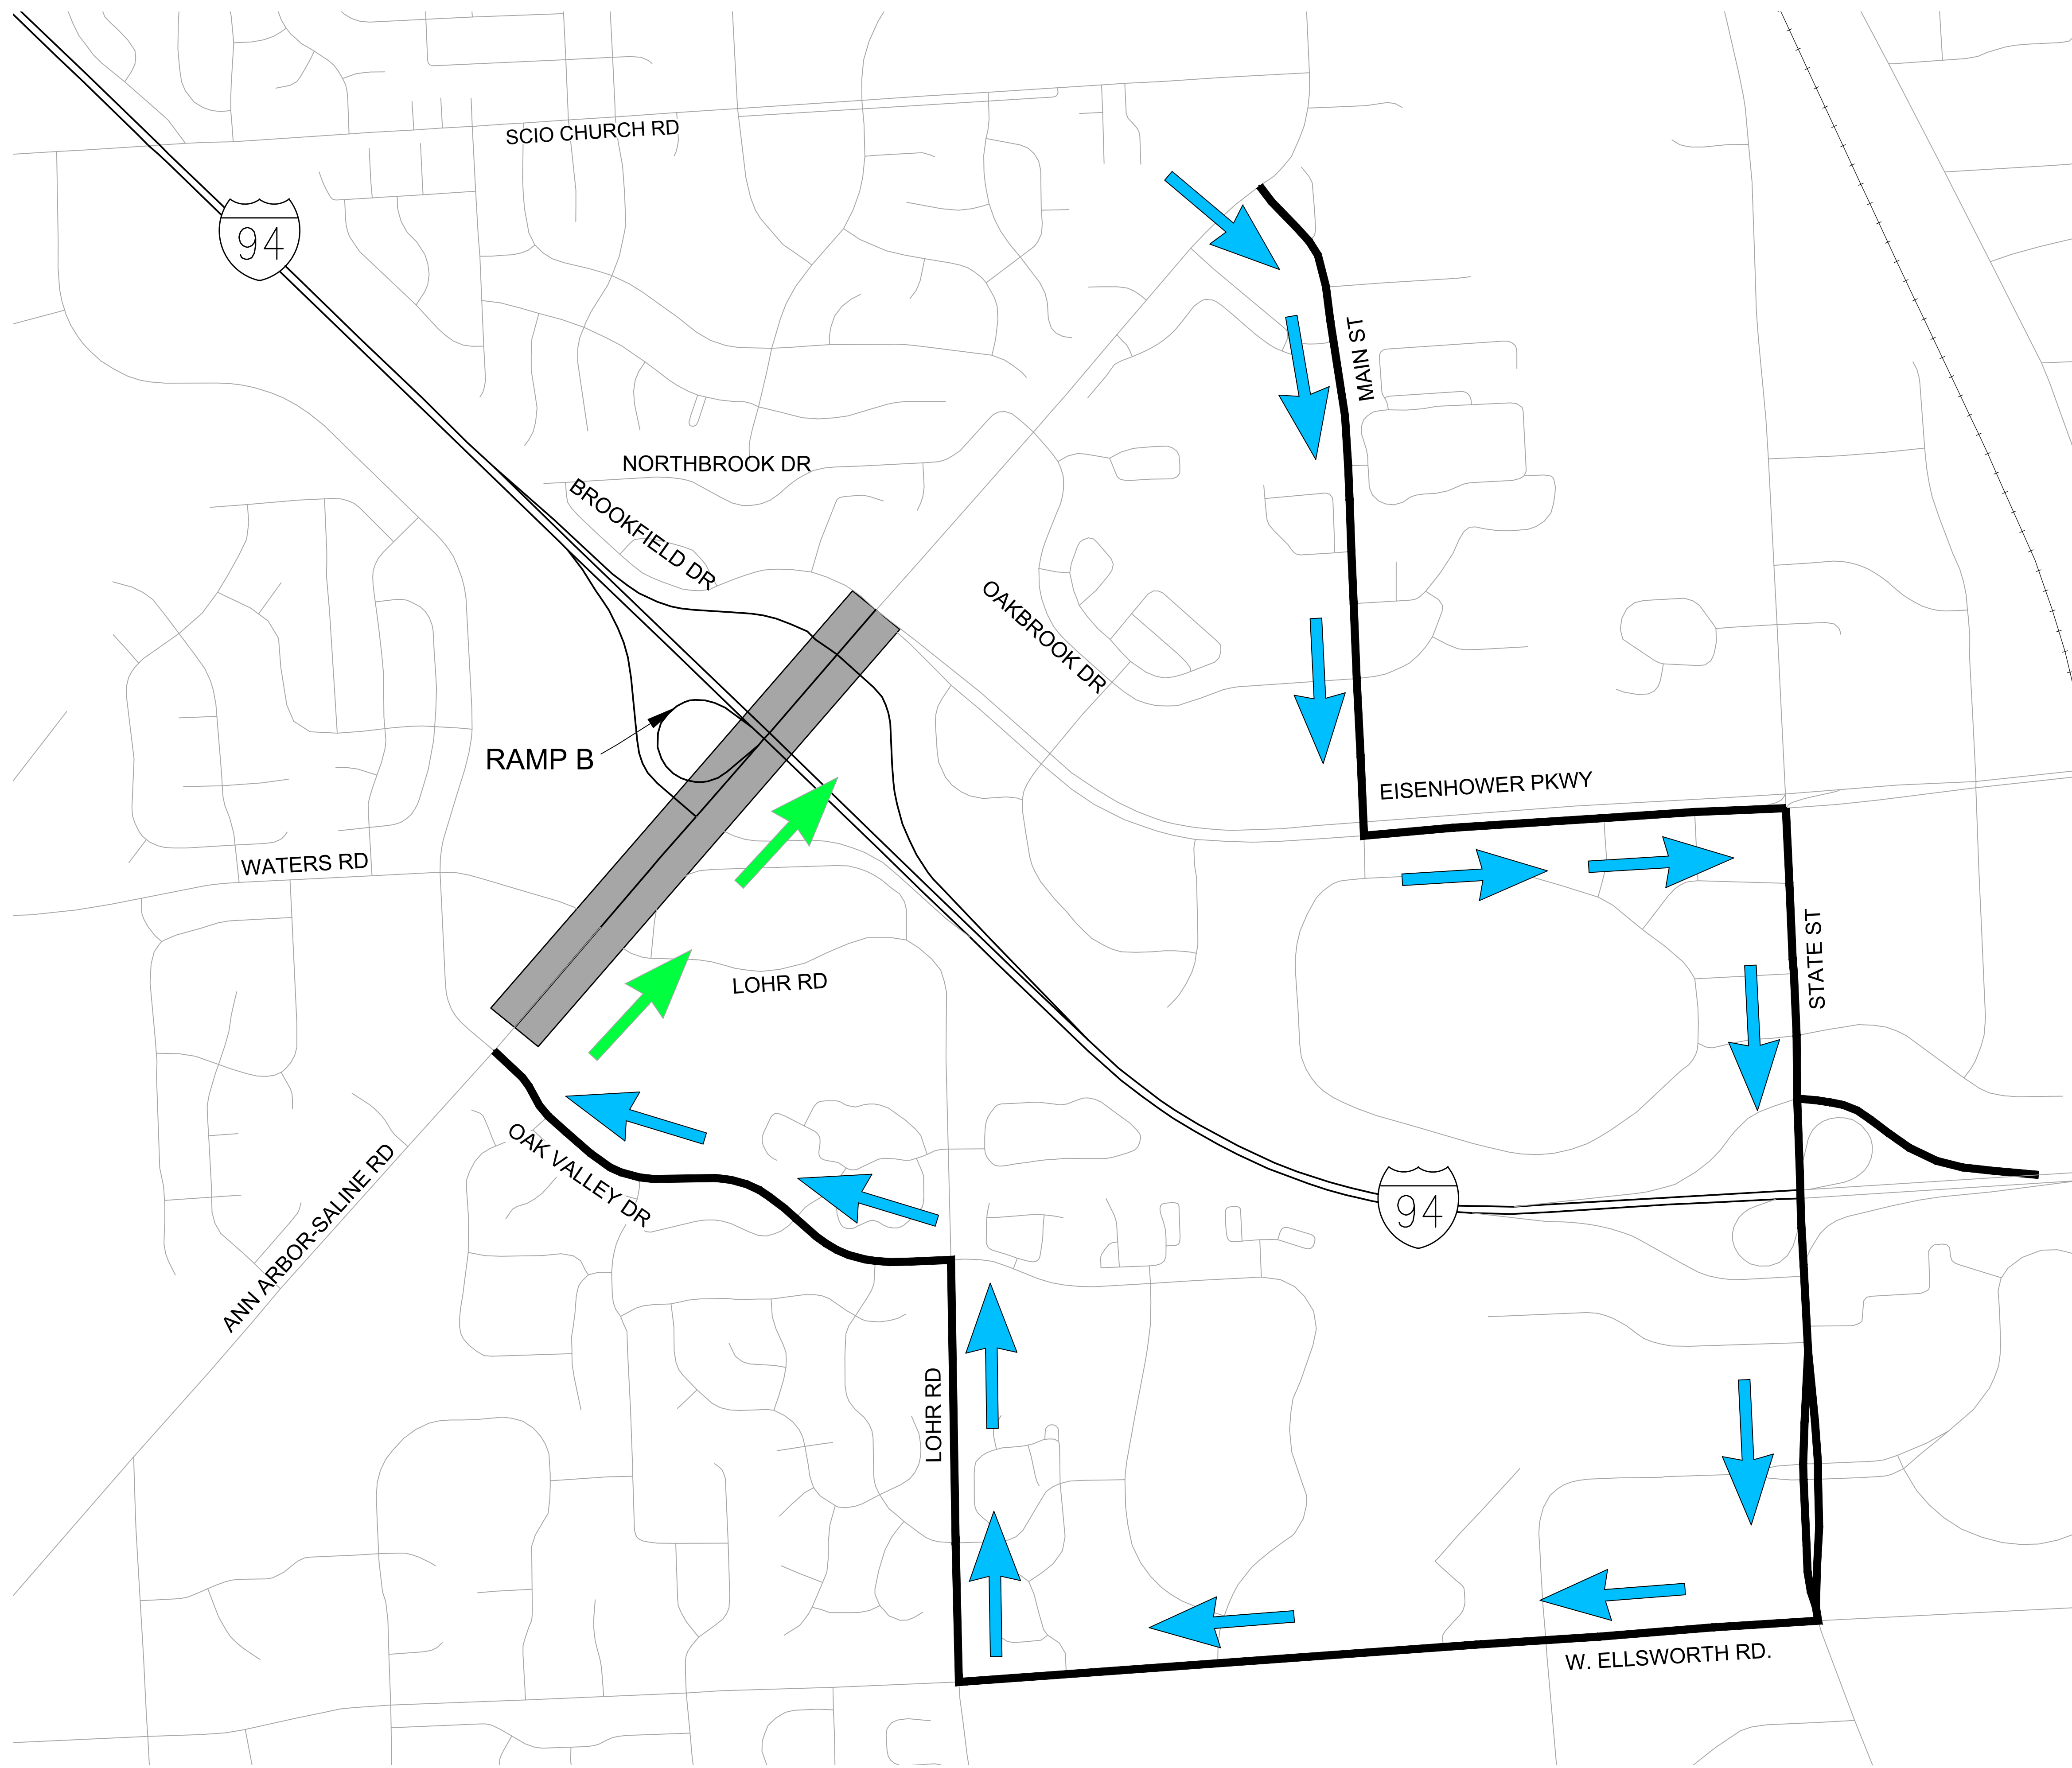

The Ann Arbor-Saline Road Improvements project is scheduled to begin Monday April 21, 2014. The project limits are between Oak Valley Drive and Eisenhower Parkway. The scope of the improvements consists of rehabilitating/reconstructing the existing pavement and upgrading the pedestrian facilities on the east side of the road to provide a connection over I-94 between the City of Ann Arbor and Pittsfield Township. Bike lanes will also be constructed on both sides of the roadway between Lohr Road and Eisenhower Parkway.

Stage 1 of the project will close the southbound lanes of Ann Arbor-Saline Road between Eisenhower Parkway and the eastbound I-94 exit ramp. During the closure of the southbound lanes, a signed detour will be in place directing motorists to use Main Street, Eisenhower Parkway, State Street, Ellsworth Road, Lohr Road, and Oak Valley Drive. Attached is the Stage 1 detour map for detouring southbound traffic. Additionally, the Waters Road approach to the Ann Arbor-Saline Road intersection will be closed and a signed detour will be in place directing motorists to use Oak Valley Drive. Lastly, the Brookfield Drive approach to the Ann Arbor-Saline Road intersection will be closed and a signed detour will be in place directing motorists to use Northbrook Drive.

Please reduce speeds and drive cautiously through the work zone in order to maintain the safety of the road crews and the traveling public. The Road Commission thanks you in advance for your patience as these improvements are completed.

CONTACT: Please contact **Matt MacDonell**, WCRC Assistant Director of Engineering, at (734) 327-6688 or macdonellm@wcroads.org if you have questions or concerns in regards to the project.
