One hundred percent (100%) of the total units are subject to the requirements of 26 U.S.C. Section 42 (“LIHTC”) and 26 U.S.C. Section 142 (“Tax-Exempt Bond(s)”) of the Internal Revenue Code of 1986, as amended.

3. Compliance with Laws

4. Affordability Requirement

5. Affordable Dwelling Number

The number shall be as follows:

284 units at 60% AMI or below

11 units at 40% AMI or below

**The affordable dwelling percentages may be amended after the initial fifteen-year tax credit compliance period if the Property development receives a new allocation of low-income housing tax credits and the percentages meet one of the required minimum set-asides.**

6. Rental Process and Determination of Tenant Eligibility

Rejection of Applicants. In connection with the leasing of an Affordable Dwelling Unit, Developer may reject any applicant if, after diligent review of such applicant’s application, the Developer determines in good faith that the applicant or those persons that will reside with the applicant do not meet the Developer’s criteria to lease or occupy an Affordable Dwelling Unit, provided such criteria does not violate applicable local, state, or federal laws. In the event any rejected applicant raises an objection or challenges Developer’s rejection of such applicant, the Developer shall be solely responsible for ensuring that its rejection of such applicant is not in violation of local, state, or federal law. The parties acknowledge that review of criminal history and credit scores, and rejection for negative information in these categories is permitted as allowed by law.

7. Initial Lease Year / Income Determination

- A. Lease Term. The initial term of any Affordable Dwelling Unit lease agreement shall be for a period of one year.
- B. Income Determinations. In order to be eligible for an Affordable Dwelling Unit, the Annual Household Income of a Household shall be less than or equal to 40 or 60% of AMI, depending on unit type as sated in Section 5. A prospective tenant who is not income eligible at the time of application shall be denied and will not be allowed to revise their work status or Annual Household income in order to qualify for an Affordable Housing Unit, or to reapply for an Affordable Housing Unit for a period of six months, with the exception that an involuntary change in income shall not disqualify the prospective tenant from becoming income eligible.

8. Establishment of Maximum Monthly Rent.

The units in the Development shall be occupied or available for occupancy by households whose incomes do not exceed the 60% income limits respectively for Multifamily Tax Subsidy Projects as determined by HUD with respect to projects financed pursuant to Section 142(d) of the Internal Revenue Code of 1986, as amended (the "Code"), as amended by the Housing and Economic Recovery Act of 2008 (P.L. 110-289) ("MTSP Limits"), adjusted for family size (the "Affordable Units"). These restrictions shall remain in effect and shall not terminate so long as the Affordable Units remain subject to the income and rent restrictions as stated above."

9. Subsequent Lease Years

- A. Rent Calculation. The Developer shall use the Maximum Monthly Rent to determine the rental amount for Affordable Dwelling Units in each lease year.
- B. Renewal by Household. For each Household that intends to renew its lease, no more than ninety days and no less than thirty days before each anniversary of the first day of a residential lease, Developer shall use its best efforts to obtain a Certification of Residency from each Household. Developer shall not permit a renewal of an Affordable Dwelling Unit lease unless the Developer has received these documents for the Affordable Dwelling Unit prior to the end of the lease term.
- C. Annual Recertification of Tenants. Upon receipt of a Household's renewal documents at annual recertification, the Developer shall determine if the Household is still a Qualified Tenant and shall notify the Household of the same within fifteen days prior to the expiration of the then-current lease term. Any Household whose Annual Household Income remains less than or equal to 40 to 60% of the AMI, depending on unit, will be eligible to remain in the Affordable Dwelling Unit and to renew the lease at the then-current lease rate for the particular Affordable Dwelling Unit.
- D. Annual Recertification of Over-Income Tenants. Upon annual recertification, if a Household's Annual Household Income is determined to exceed the 40 or 60%, depending on unit, of the AMI (such tenant, an "Over-Income Tenant"), then Developer shall have the right to elect not to renew the lease consistent with the terms of the lease. At the discretion of Landlord, the Over-Income Tenant may remain in the rental unit and pay the market rate rent for that rental unit. Notwithstanding anything to the contrary herein, this section is subject to LIHTC and Tax-Exempt Bond requirements, including, but not limited to, the so-called "next available unit" requirement (§42(g)(2)(D)).

- E. Rent from Subsidies. Nothing herein shall prevent the Developer from collecting rent from a subsidy or rent subsidy provider, such as a HUD rent voucher or require Developer to do so.
- F. Additional Income During Lease Term. An increase of Annual Household Income greater than the 40 or 60% of the AMI, depending on unit, at some point in time after a lease is signed for an Affordable Dwelling Unit, shall not be a basis to require the Developer to immediately terminate the tenancy and rent the Affordable Dwelling Unit to a Qualified Tenant.

10. No Subleasing of Affordable Dwelling Units

An Affordable Dwelling Unit tenant may not sublease any portion of the Affordable Dwelling Unit or assign its lease to any other person.

11. Representations of Affordable Dwelling Unit Tenant

By execution of a lease for an Affordable Dwelling Unit, each Affordable Dwelling Unit tenant shall be deemed to represent and warrant to Washtenaw County and Developer, each of whom may rely thereon, that the Affordable Dwelling Unit tenant meets, and will continue to meet, all eligibility requirements contained in this Agreement for the rental of an Affordable Dwelling Unit.

12. Representations of Developer

By execution of a lease for an Affordable Dwelling Unit, the Developer shall be deemed to represent and warrant to Washtenaw County, which may rely on the following, that: (i) based solely upon tenant and Washtenaw County supplied information, the Household is a Qualified Tenant, and (ii) the Developer is not charging the Affordable Dwelling Unit tenant more than the Maximum Allowable Rent.

13. Annual Reporting Requirements

Beginning with the first occupancy of any Affordable Dwelling Unit, the Developer shall provide an annual report (“Annual Report”) to Washtenaw County regarding the status of the Affordable Dwelling Units during the previous calendar year, which shall be submitted on March 1 of each year, or other date as agreed to by the Township Supervisor or designee and the Developer. The Annual Report shall include the following:

- A. The unit number and bedroom count of each Affordable Dwelling Unit that is occupied;
- B. For each Affordable Dwelling Unit that is vacant or that was vacant for a portion of the reporting period, the manner in which the Affordable Dwelling Unit became vacant (e.g. eviction or voluntary departure) and the progress of and activities directed to having the unit re-occupied;
- C. For each occupied Affordable Dwelling Unit, the names and ages of all persons in the Household, the date of initial occupancy, Annual Household Income as of the date of the most recent Certification of Income, and the monthly rental rate of the lease;
- D. Copies of all forms, policies, procedures, leases, and other documents reasonably requested by the Township and Washtenaw County related to the Affordable Dwelling Units.

The Annual Reports shall be retained by the Developer for a minimum of five years after submission and shall be available, upon reasonable notice, for inspection by the Township and Washtenaw County. Notwithstanding anything contained herein to the contrary, in the event that the Developer is providing a report with content substantially similar to the content of the Annual Reports described in this section, subject to the Township Supervisor’s prior written approval, then the reporting requirements under this section shall be satisfied upon Developer’s delivery of such report to the

Township and Washtenaw County. Developer shall also maintain copies of all initial and renewal leases for Affordable Dwelling Units for three years from the date of execution. Within fifteen (15) days after receiving notice of any error in the amount of rent being charged for an Affordable Dwelling Unit, Developer shall either: correct the error, in which event, corrections shall be retroactive to the date of the error within the annual lease period; or provide written notice to the Township and Washtenaw County that Developer disputes the error, in which event, the Township and Washtenaw County and Developer shall work cooperatively to reconcile the error over the next fifteen (15) days.

14. Confidentiality

Except as may be required by applicable law, including, without limitation and applicable only to the Township and Washtenaw County, the *Michigan Freedom of Information Act (MCL 15.231 et. seq.)*, the Developer and the Township and Washtenaw County shall not disclose to third parties the personal information of the Households, including the identity of the Households, submitted as a part of the Annual Report. Notwithstanding this Section 14, Developer shall be permitted to disclose its lease files for the Property in the ordinary course of business, including, but without limitation, to the management company for the Property, to any lender that may or does provide financing to the Developer with regards to the Property, to any prospective buyer of all or a portion of the Property, and as necessary to enforce Developer's rights in court or any administrative proceedings.

15. Inspection Rights

Upon reasonable advance notice to the Developer, and subject to a tenant's privacy rights, the Township shall have the right to inspect the Affordable Dwelling Units during normal business hours. If the Developer receives such notice, the Developer shall, in turn, give reasonable advance notice of the inspection to the tenant occupying an Affordable Dwelling Unit. The Township shall have the right to inspect a random sampling of the Affordable Dwelling Units to confirm that the units are in compliance with applicable statutory and regulatory housing requirements and as otherwise permitted under this Agreement. The Township shall have the right to conduct audits of a random sampling of the Affordable Dwelling Units and associated files and documentation to confirm compliance with the requirements of this Agreement. Developer acknowledges that the Township has a Property Maintenance Ordinance and Developer is required to maintain current Certificates of Compliance for each rental unit.

16. Default

The Developer, and each subsequent owner, hereby grants and assigns to the Township and Washtenaw County the right to review and enforce compliance with this Agreement. Compliance may be enforced by the Township and Washtenaw County at its discretion by any lawful means, including without limitation: (a) requiring that Developer meet any unmet obligations to provide an Affordable Dwelling Unit in a subsequent year after notice and opportunity to cure as provided in this Section 17, (b) seeking specific performance of the Developer's obligations under this Agreement, (c) requesting the option to lease as provided in this section, and (d) seeking money damages. The prevailing Party in any litigation between Developer and Township and Washtenaw County with regard to this Agreement shall be entitled to recover its costs, fees and expenses (including actual attorney fees) incurred as a result of the litigation.

If a default occurs under this Agreement, the Township or Washtenaw County shall provide the Developer and the Michigan State Housing Development Authority ("MSHDA") with written notice setting forth with particularity the alleged violation and shall provide 45 days to cure the violation, prior to exercising its remedies. The Township Supervisor may extend the cure period in his or her sole discretion, which shall not be unreasonably withheld, if a cure cannot be reasonably obtained or achieved by the Developer within 45 days of the written notice of default.

17. Indemnification

To the fullest extent permitted by law, Developer shall indemnify, defend, and hold the Township and Washtenaw County, its officers, employees and agents harmless from all suits, claims, judgments and expenses, including attorney's fees, resulting or alleged to result, from any acts or omissions by Developer or its employees and agents occurring in the performance of or breach in this Agreement, except to the extent that any suit, claim, judgment or expense are finally judicially determined to have resulted from the Townships and Washtenaw County negligence or willful misconduct or its failure to comply with any of its material obligations set forth in this Agreement. This provision is not intended, and shall not be construed, to waive or limit any immunity defense which the Township and Washtenaw County may have including but not limited to governmental immunity.

18. Insurance

Developer shall secure and maintain insurance policies, including those stated below, as will protect the Developer, any of its subcontractors and, unless otherwise specified, the Township from all claims for bodily injuries, death or property damage which may arise under this Agreement; whether the actions are made by the Developer or by any subcontractor or anyone employed by them directly or indirectly. The following insurance policies are required:

- A. Worker's Compensation Insurance under the provisions of the Michigan Worker's Compensation Act and all applicable state and federal statutes.
- B. General Liability Insurance in an amount not less than \$1,000,000 for each occurrence as respect to bodily injury liability, property damage liability, or both combined. The Pittsfield Township shall be named as an additional insured for General Liability Insurance.
- C. Property Insurance for the Property and improvements on the Property

Insurance certificates shall be provided to the Township and Washtenaw County upon request.

19. Recording. This Agreement will be recorded with the Washtenaw County Register of Deeds after the MSHDA mortgages and corresponding tax-exempt bond regulatory agreement, so that MSHDA's bond requirements are in first position. If this Agreement is not recorded in its entirety, the Township may record an affidavit or other document referencing this agreement and providing information to the public where a complete copy of the agreement may be obtained. The Township will maintain a copy of this Agreement in accordance with its policies.
