

## Harwood Cemetery - Readings

*Historical Marker at Harwood Cemetery*

Harwood Cemetery is located in Pittsfield Township, Michigan, at the southeast corner of Textile and Campbell roads. The first burial occurred here in 1824.

In 2004, the Washtenaw County Historic District Commission erected an historical marker, commemorating the significance of Harwood Cemetery. The text of this historical marker will be added to this page soon.

The following list of burials is adapted from: [Harwood Cemetery via USGenWeb](#). Paulette Quartermain donated the 1825-1940 (compiled in 1968) transcribed records for this cemetery to USGenWeb in December 2001.
